

- ◆ In our best efforts to not block the flow of traffic in Salina, and keep our families safe, we have created a flow of traffic for the Grab N Go.
- ◆ Please Enter Highland Avenue from Republic.
- ◆ Turn right in the parking lot/alley.
- ◆ After checking in with the staff, you will be asked to pull up to where volunteers will load your groceries.
- ◆ Please have a trunk or backseat ready to receive meals.
- ◆ Exit to the right!
- ◆ DO NOT cut in line.
- ◆ DO NOT block driveways, alleys, and streets (You will need to circle the block if you block an area and someone is needing to cross.)
- ◆ Be kind to others.
- ◆ If someone is picking up for you, be sure to let them know how it works. It helps when you (they) have your QR Code to be scanned. (If you do NOT have your QR code, please email me back and let me know.) We can check you off on our list too. (It just takes a little longer.)

Thanks for your patients.
